Re: Hafif v. Rabbi Eli J. Mansour, et al.,
22-CV-1199 (LDH)(RML)

Dear Honorable Court:

I hope this letter finds you well. I am writing to express my concern about the prolonged inactivity in the aforementioned case, and I would like to request your assistance in expediting the resolution of this matter.

As you are aware, this case has remained dormant for several months, and I have been patiently awaiting the Court's attention to my requests for alternative service. I understand that the Court strives to ensure a speedy and just resolution to all actions in Federal Court, and I am hopeful that you can help facilitate the progress of this case so that it may proceed on its merits.

I am committed to cooperating fully with the Court and all parties involved to ensure a fair and timely resolution. I kindly request that you review the status of this case and take any necessary steps to move it forward.

Thank you for your consideration of this matter. I remain committed to upholding the principles of justice, and I trust that the Court will continue to act in the best interests of all parties involved.

Respectfully submitted,

/s/ *Dibo Haft*
